

FAREWELL SPEECH TO GRADUATING STUDENTS BY JUNIORS 2019

Dear guest of honour, members of the school board, Madam Principal, teachers, parents and above all the graduating class of 2019, we are glad to have the opportunity to deliver this farewell speech.

Today we gather here to celebrate success. And as we celebrate this success, we also mark the end of an era and the beginning of another. Our brothers and sisters that are graduating today are through with the highest class in primary school and are joining the lowest one in secondary school.

To them we say 'congratulations'. You have a lot to be proud of. Despite some hard tasks and challenges that you have encountered in the course of your studies at Royal Elite, at the end of it all, you have completed this part of the journey with great achievements and beautiful memories. We believe that they will prepare you for the future that lies ahead.

As the incoming candidates, we are honored to say, that we shall strive to emulate the example that you've set. Emerging as the best class in the district mock exam left us all in awe. Thank you for flying our school's flag so high.

We are truly proud of your many achievements over the years. Your brilliant achievements in academic discourse are indeed acknowledged. You have set a high bar for us to beat.

We also wish to thank you for the uncommon zeal that you have demonstrated towards mentoring us and helping us to be better students and better people. We have learnt a lot from you and for that we can't thank you enough.

You have been good students and have shown great discipline in your relationship with teachers, matrons, junior students, and among yourselves. You have left behind a very good legacy for us and other classes to follow.

We want to implore you to always see yourselves as ambassadors of this school, speaking and conducting yourselves in the way that you've been taught while here. Never allow selfish interests to blemish your character. Let strangers and new acquaintances recognize how disciplined and humble you are. They will attribute that to the families from which you hail and the school from which you come.

As you leave this school, expect that some challenges await you. But we strongly believe that going by the manner in which you have conducted yourselves over the years and the skills and knowledge Royal Elite has imparted in you, you will surely overcome them.

May God be your guiding light as you confront the world out there.

Fare-thee-well

Thank you.
